Fund raising efforts for 2009/2010 Season

Dear swimmers and parents,

As we approach a new season it is very important that our swimming club has sufficient funds to meet its monthly commitments and to contribute to training and other needs of the swimmers. We are currently reviewing our projected finances for the coming season and will be shortly be in a position to quantify what monetary target we should set for funds from fund raising activities.

In order to ensure that the club will be in a sound financial position though out the year a sub-committee has been set up to review the finances and to organise a number of fund raising events throughout the year. Among the events that have taken place in the past include;

- Bag packing
- Quiz night
- Other social evenings
- Annual raffle
- Golf Classic

If we are to be successful in our fund raising events over the coming year we will need the support of all our swimmers and their families. We would particularly like if parents who are not currently on the Swim committee could suggest new fund raising events and to volunteer to assist the sub-committee in the running of events. After all funds raised over the coming year will benefit all our swimmers.

The members of the finance and fund raising sub-committee are:

Joan Hynes (Chair)
Noleen McCrohan
Angela Torsney
Margaret O'Brien.

We look forward to working with you all over the coming year and to hearing from you.

Yours sincerely

Joan Hynes
