

## High Performance

**Four Aer Lingus swimmers have been invited, and have accepted places at Swim Ireland High Performance Centre, which will be based at the National Aquatic Centre.**

**They are,**

**Sarah Taaffe  
Wendy O'Neill  
Conor Turner  
Gavin Truman**

**These four swimmers will participate on a part time basis in the High performance Programme and will continue to train with the rest of their club colleagues when not with the High Performance squad.**

**It is a commendable achievement for these four swimmers and Alan, their coach, so well done to one and all.**
